Then we found there was no car in our parking space.

But we sometimes go to the D supermarket because it's bigger than the A supermarket.

As we had a planned to go on a picnic with Mark and Vivian on the weekend,...

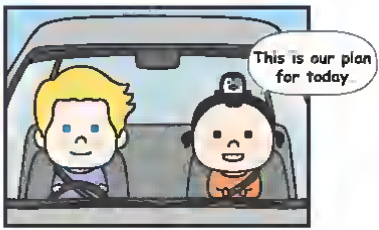
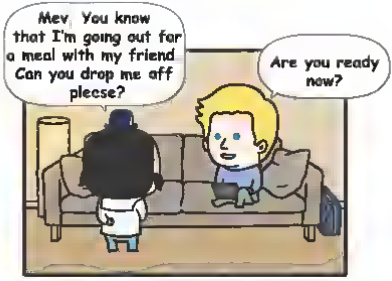
Where we do most of our shopping at the A market because it's cheaper and closer to our home.

Two Supermarkets



We normally go shopping at the two supermarkets

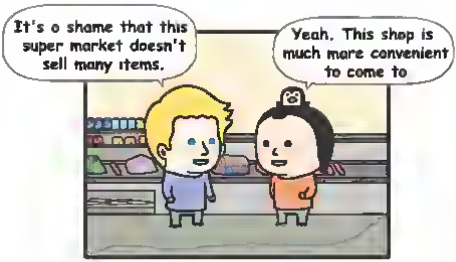
... we needed to buy many things for the picnic box.



I had a plan to meet my friend
so I asked Mev to drop me off at town.

that we tatally fargot our car was left
at the supermarket's car park

But soon, we realized...



Finally we finished shopping and came back home with many bags
